

# Petition: Students Against Kinsey Sicks at Furman

To: FUSAB, RLC, and EROS

We, the undersigned, recognize that FUSAB, RLC, and EROS are co-sponsoring a drag queen show by the "Kinsey Sicks" and are trying to bring them to campus with over \$10,000 in student money.

We further recognize that the "Kinsey Sicks" is an overtly political activist group that uses tactics not in line with the values of Furman University.

Finally, we recognize that there is no inherent educational value in the "Kinsey Sicks" production.

Therefore, we request that FUSAB, RLC, and EROS reconsider their co-sponsorship of the "Kinsey Sicks."

Sincerely,

The Undersigned
